**Subject: Notice of Warning Letter
State Operating Permit No. SOP-92105
Anderson County Utility Board Collection System
Clinton, Anderson County, Tennessee**

Dear Mr. Clowers:

The above referenced SOP permit has an expiration date of February 28, 2013. Up to the date of this letter, we have not received a completed application for the reissuance of the NPDES permit. The Rules of the Tennessee Department of Environment and Conservation, Chapter 1200-04-05-.05(4), state:

All permittees with currently effective permits shall submit a new application 180 days before the existing permit expires, except that the commissioner may grant permission to submit an application later than the deadline for submission otherwise applicable, but no later than the permit expiration date.

Additionally, Part II A.1 of your current SOP permit states, in part:

Permittee is not authorized to discharge after the expiration date of this permit. In order to receive authorization to discharge beyond the expiration date, the permittee shall submit such information and forms [...] no later than 180 days prior to the expiration date.

A complete application should be submitted to our office within 15 days of the date of this letter. Copies of application forms can be obtained at: <http://www.tn.gov/environment/permits/wqoperm.shtml>. We accept and encourage electronic document submittals. If you have questions, please contact the Knoxville Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Mr. Hari Akunuri at (615) 532-0650 or by E-mail at Hari.Akunuri@tn.gov.

Sincerely,
